

Discipline & Warning Policy

If you display unacceptable behaviour in class, your teacher will give you a warning. This is to officially tell you that your behaviour needs to change, and give you a chance to improve. We involve parents/guardians at this stage so they can help you improve behaviour.

After two official warnings, subsequent breaches of rules would result in removal from class and cancellation of your place. If your behaviour threatens the safety of you or others, or risks significant property damage, it may lead to immediate removal from the class and cancellation of your place. If a student is removed from class, fees for will be calculated in accordance with the Payment Terms and Conditions.
