

# Code of Conduct

## Student Behaviour

- Be polite to staff & students. Be cooperative, respect all individuals, and be a good team player.
- Follow instructions from staff.
- Don't abuse each other, the facilities, or any property. Stage School Australia operates a zero tolerance policy towards violence and bullying.

## Student Commitment

- Wear your uniform & bring you bag, water bottle, script & pencil to rehearsals.
- Learn your lines / songs / choreography on time.
- All offers are subject to review throughout the year. Students not performing to the required standard of the group may be asked to join another group in the organisation.

## Student Attendance

- Arrive on time. Be collected on time. Put in an apology with the manager if you are going to miss rehearsal. (If you are sick, you can do this by email, SMS or phone to your Venue Manager.)
  - Follow dismissal process. Your parent/guardian will have nominated you as "to be collected" or "may leave alone". If you are "to be collected" you must remain inside the venue with a staff member until you are collected. If you are "may leave alone" you will be dismissed on your own at the end of the call. This applies to rehearsals, workshops and performances.
  - Attend your performances. Performances are compulsory, any absences must be approved in advance or with a medical certificate. More information about this will be distributed when performance dates are confirmed.
-
